

Calling all Crafters for the FunFest Craft Fair

The Craft Fair Committee wants this to be a fun event for the community with crafters of all ages. We are contacting prior craft event participants, but also wish to reach out to community members that have not had the pleasure of making, displaying or selling your wares. This year we are charging only for your table space, no sales percentage will be taken. That should be good news to all. If you wish to participate in this year's Craft Fair, please fill out the attached form and return with your payment **by August 20** to Larry Hawk, at the address below.
